> **Concrete measures to bring water to Haiti.**

ONE DROP, in collaboration with OXFAM-Québec will help to rebuild Haiti! In May 2010, ONE DROP will implement a new water-access project: Project Haiti.

> **Concrete measures aimed at raising the awareness of populations worldwide on the need to mobilize.**

ONE DROP produces highly creative projects such as AQUA: A JOURNEY INTO THE WORLD OF WATER, a multisensorial experience presented in the spring in Ottawa and in Québec City until 2011.

On Friday, April 30, 2010, the Grand Chapiteau of *Cirque du Soleil*® set up near the Jacques-Cartier Quay in the Old Port of Montréal, very special guests of *LA SOIRÉE ONE DROP* will have the privilege of attending the world premiere of *the most recent creation of Cirque du Soleil*®, directed by Robert Lepage. These guests will then be invited to a *HAPPENING* orchestrated by *Cirque du Soleil*® with ONE DROP's special touch.

LA SOIRÉE ONE DROP,
a not-to-be-missed, one-of-a-kind experience!
