

THE GUY LALIBERTÉ LAS VEGAS GRAND PRIX EXPERIENCE

NOV 15-18, 2023

“ The Las Vegas Grand Prix is going to be an epic event, that will go far beyond the race itself. I have a passion for everything surrounding Formula One, so when this Grand Prix has been announced, people urged me to bring the spirit of my Montreal parties to my second hometown Las Vegas. This sparked a chain reaction in my mind.

In short, by purchasing this experience, you will watch the race with me from my private suite, you will attend my after-race party, and if you can arrive on Nov 15, you will be with me at the Marquee Nightclub, at a private party to benefit the One Drop Foundation. I'm curating this Las Vegas Grand Prix Experience from A to Z and I make it available to only 60 people. It will be memorable. ”

Nov. 15 | One Night For One Drop 2023

This event supports my foundation **One Drop**, and will be held on **November 15 at The Cosmopolitan of Las Vegas' Marquee Nightclub** to kick off the Grand Prix weekend. The event is chaired by my dear friend and F1 legend Sir Jackie Stewart, OBE. You certainly have your best chances to hang with F1 drivers at this event than anywhere else. You will enjoy fabulous entertainment, from Kool, to Steve Aoki and Cirque du Soleil. Food, drinks and surprises at every turn.

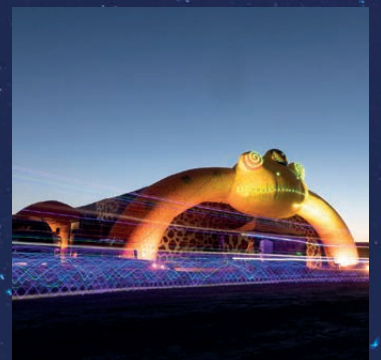

Nov. 16-18 | My Private North Koval Legacy Suite

I have secured a new top-of-the-line F1 private hospitality suite called the Koval Legacy Suite. Located on one of the fastest parts of the track, between turns 4 and 5. This private suite features elevated third-story views, indoor & outdoor viewing areas, as well as the best in food and beverage service. This is the hottest ticket in town, with the Koval Suites already sold out!

Nov. 18 | My Private After-Race Party

I will be hosting a private and exclusive after race party at my Frooogs Camp located outside Resorts World, directly in front of the Strip. Frooogs is this new immersive experience that I have developed. This party will give you a glimpse of what Frooogs Camp is all about. Leave your inhibitions at the door and prepare to step into a world where imagination knows no boundaries, a whimsical evening and a celebration like no other.
