“Even after 15 years, I am still overwhelmed by the wave of generosity that our friends and partners are showing us year after year, this time for *La Cuvée One Drop*. With over 2 billion people still lacking access to safe water at home, it goes without saying that there is still tremendous work to be done. We cannot be discouraged by the size of the challenge, we only need to pair our ambitious mission with ambitious actions. On November 12, we will celebrate 15 years of impact by raising most needed funds that will help us increase our impact”, said Guy Laliberté founder of the One Drop Foundation, Cirque du Soleil and Lune Rouge.

“We are proud to have participated in this auction for the 4th year and help make a positive long-term impact worldwide. Access to safe water is close to our heart and complementary to the work of the Audemars Piguet Foundation.” said François-Henry Bennaïm, Chief Executive Officer at Audemars Piguet.

“Trudie and I are delighted to support One Drop and their vital work with critical water issues around the world. We are donating this live auction package with a special message in a bottle to remind the world how important access to clean water is. We will be donating the Ultimate Trudie and Sting Package, to include a visit to our winery Il Palagio, a signed guitar and signed bottles from our Tenuta Il Palagio,” wrote Sting and Trudie Styler.

The One Drop Foundation was established in 2007 as an international philanthropic organization dedicated to ensuring sustainable access to safe water, sanitation and hygiene. In the midst of a global pandemic, the One Drop Foundation and its partners kept making a difference and soon, their actions will have changed the lives of more than 2.7 million people around the world with 26 projects in 14 countries.

All net proceeds raised during the La Cuvée One Drop 2022 extravaganza will directly support the One Drop Foundation's safe water access initiatives both locally and around the world. The financial commitment of Guy Laliberté covers all administrative costs, allowing each donation to be turned into action.
