A FOUR-DAY ESCAPE AT VALMONT PALAZZO BONVICINI, VENICE, ITALY FOR 4 GUESTS

Timeless Venetian elegance awaits in the heart of Venice, where the 3-bedrooms Résidence Bonvicini appears like a hidden jewel in the maze of canals. An architectural treasure occupying the top floors of the 16th-century Palazzo Bonvicini, this Renaissance palace has been entirely renovated by Valmont founder Didier Guillon, drawing inspiration from the harmonious proportions of its era.

Reminiscent of centuries gone by, with its exposed beams, colorful mosaics, and marble, the Palazzo welcomes within its walls more recent masterpieces. Contemporary art catches the eye upon entering, combining the styles and origins of a variety of artists — sometimes dark, often colorful, figurative or abstract — through drawing, sculpture, and painting.

In the bedrooms, pastel shades blend with exposed beams and sparkling glass; in the living areas, contemporary art echoes the city hosting it. Venice itself, the embodiment of romanticism, reveals its magic through winding alleys, shimmering canals, and vaporettos gliding by majestic façades.

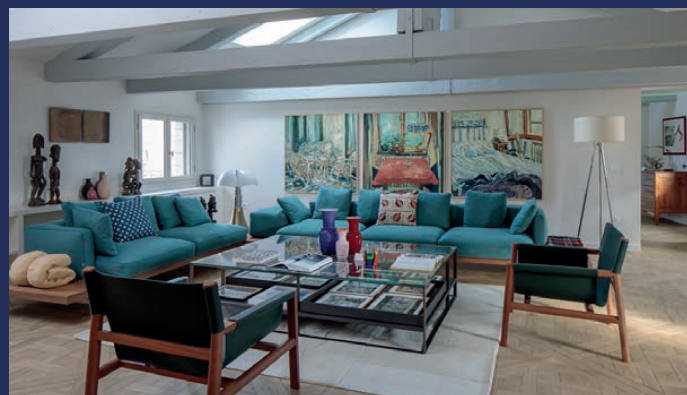

Guests will admire Valmont founder Didier Guillon's artistic vision, adding depth and authenticity to this exceptional venue. The Résidence Bonvicini offers a timeless link between past, present, and art — a stay where emotion flows beyond walls, capturing the very soul of Venice.
