ABOUT THE SHOW

One Drop is thrilled to welcome back Nicky and Laetitia Dewhurst, directors of One Night for One Drop 2017, 2018, and 2025, to re-imagine this year's beloved show portion of the event.

Nicky and Laetitia Dewhurst

This year's theme, Ripple, is a dazzling journey where each act flows seamlessly into the next, like circles spreading across water. Through dance, comedy, and spectacle, the show celebrates how even the smallest actions can create waves of impact, echoing outward in ways both playful and profound.

With over three decades of experience spanning Cirque du Soleil, London's West End, and major productions worldwide, the Dewhurst's bring artistry, innovation, and heart to every performance. Nicky, a former Cirque performer, writer, and director, has contributed to five Cirque du Soleil productions including *Mystère* and *Zumanity*. Laetitia, trained at the English National Ballet School, has starred in acclaimed productions such as *Fosse*, *We Will Rock You*, and *Zumanity*, and has directed and choreographed award-winning shows for Celebrity Cruises and global brands like Victoria's Secret and Crazy Horse.

Together, they've co-directed *Cirque Cabaret Delyria*, *One Night for One Drop* (2017, 2018 with Jewel and 2025), and most recently served as creative advisors for *The Mayfair Supper Club* at Bellagio Las Vegas.
