AT EUROPEAN POKER TOUR MONTE CARLO**

€100,000 High Roller tournament with 3% of each buy-in to be donated to One Drop

ONCHAN, Isle of Man – March 30 2026 – [PokerStars](#) and the [One Drop Foundation](#) have today announced a partnership to raise vital funds for global water access during the prestigious €100,000 buy-in High Roller tournament at the [European Poker Tour \(EPT\) Monte Carlo](#), which takes place from April 30 to May 10.

The partnership will see 3% of each €100,000 buy-in in the three-day ‘€100K High Roller for One Drop’ from May 1 to 3, donated to the One Drop Foundation’s global safe water projects, and 1% will cover baseline costs. High stakes poker legend and [PokerStars Ambassador Jason Koon](#), who is number three in the all-time poker money list with over \$70 million in live earnings, will play in the tournament, and it will be broadcast on PokerStars award-winning livestream.

SAFE WATER AND SANITATION

One Drop Foundation, created by Guy Laliberté, founder of Cirque du Soleil and Lune Rouge, focuses on cultivating partnerships to provide access to safe water and sanitation and to facilitate the behaviour change and community empowerment that makes water access sustainable. Since 2012, One Drop Foundation and the poker community have together raised more than \$26 million, a collective world leader in charity poker, making a wide global impact for a sustainable future with safe water for all.

According to UNICEF and the World Health Organization, 2.2 billion people globally lack safe water at home: 1 in 4 people. To date, One Drop Foundation has improved the living conditions of more than 3 million people around the world, and the work continues.

Guy Laliberté said: "One Drop Foundation is thrilled to partner with EPT and PokerStars to bring the cause of safe water to the poker table at the iconic Sporting Monte Carlo. Witnessing the poker community compete at the highest level for such a vital cause — access to clean water for all — is truly inspiring. We hope to see you there."

Cédric Billot, Associate Director, PokerStars Live Events, said: "Poker has always had a strong culture of community, and partnering with One Drop allows us to channel that spirit into supporting an incredibly important cause. The €100,000 High Roller at EPT Monte Carlo attracts some of the best players in the world, and we're excited that this year it will also contribute to supporting global water access and help drive a meaningful impact."
